1893.

cc. 2114-2

The Rules and Orders of the Common Council, issued regularly from 1822 to 1840, contain the annual register of the City Council and the City officers. The volume of 1822 comprises fifteen pages. In 1829 it was ordered that the City charter be inserted. In 1830 the charter, the acts relating to Boston, and the ordinances occupied pp. 11–39 of the Rules. In 1832 an index was added. The Rules of 1840 contain eighty-five pages, and three pages of index. The Municipal Register was first issued in 1841, as a document of 104 pages. Its contents are: Rules and orders of the Common Council; joint rules; ordinances of the City; statutes of the Commonwealth relating to the City; City government of 1841, with committees; departments (comprising at that time the treasury; law; police; health; public land and buildings, lamps and bridges; fire; public charitable institutions); public schools; and a list of the ward officers. From that date to the present time the Municipal Register has been published annually. In 1843 a list of members of preceding City governments was added, with a necrological record. As late as 1863 it was also customary to publish in this volume the latest ordinances and recent special statutes relating to the City of Boston. In 1851 a list of the annual orators was added; a map of the City in 1853. The rules of the Board of Aldermen were not inserted until 1853. In 1876 statistics of registration and voting made their appearance, and since 1879 these have been given in tabulated form. In 1883 the custom of publishing portraits of the Mayor and presiding officers of the two branches of the City Council was established. A list of past city governments of Roxbury and Charlestown was added in 1888 and continued to 1890.

The establishment of the Town of Boston dates from the passage of the order of the Court of Assistants on September 17 (7, O. S.), 1630, "that Trimontaine shalbe called Boston." The first City government was organized May 1, 1822 (St. 1821, c. 110; accepted March 4, 1822). Roxbury was first recognized as a Town by the Court of Assistants October 8, 1630; it was incorporated as a City March 12, 1846 (St. 1846, c. 95; accepted March 25, 1846), and annexed to Boston January 6, 1868 (St. 1867, c. 359; accepted September 9, 1867). Dorchester was named by the Court of Assistants in the same order in which Boston was named; and it retained its Town organization until annexed to Boston January 3, 1870 (St. 1869, c. 349; accepted June 22, 1869). Charlestown was founded July 4, 1629; incorporated as a City in 1847 (St. 1847, c. 29; accepted March 10, 1847); annexed to Boston January 5, 1874 (St. 1873, c. 286; accepted October 7, 1873). West Roxbury was incorporated as a Town March 24, 1851 (St. 1851, c. 250); annexed to Boston January 5, 1874 (St. 1873, c. 314; accepted October 7, 1873). Brighton was incorporated as a Town February 24, 1807 (St. 1806, c. 65); annexed to Boston January 5, 1874 (St. 1873, c. 303; accepted October 7, 1873). These are the principal annexations.

THE

CITY OF BOSTON,

ITS POWERS AND DUTIES.

[AS GIVEN AND IMPOSED BY THE CITY CHARTER, APRIL 29, 1854, AND BY SPECIAL LAWS PASSED SINCE SAID DATE, AND PRIOR TO JUNE 11, 1893.]

It has been the aim of the compiler to put in the form of an Act the powers now held by, and the duties imposed on, the city, and on certain officers, and with this aim in view he has made his own arrangement and construction of the sections now in force of the city charter and the laws passed between April 29, 1854, the date of the passage of the city charter, and June 11, 1893. He believes that these sections show the law as it now is, although not in the precise words in which it has been passed. The references in the margin are to the authority for the law as stated in the sections to which they apply.

CIVITATIS REGIMINE DONATA A.D. 1822,' as herewith set forth."

The "Ordinance to Establish the City Seal," passed on January 2, 1823, provided as follows: "That the design hereto annexed, as sketched by John R. Penniman, giving a view of the City, be the devise of the city seal; that the motto be as follows, to wit: 'SICUT PATRIBUS, SIT DEUS NOBIS;' and that the inscription be as follows, to wit: 'BOSTONIA CONDITA A.D. 1630. CIVITATIS REGIMINE DONATA A.D. 1822.'" The drawing of the seal established in 1890 revives the drawing given on page 221 in the collected Charter and Ordinances of 1827. A design by Mr. Penniman appears also on the treasury checks of the City, and a fac-simile of this sketch is given in the Municipal Registers of 1883 and 1884. A rough copy is printed opposite the title-page. The motto of the City seal is taken from 1 Kings viii. 57. For the penalty in cases of unauthorized use of the City seal, see the Pub. St., Chap. 205, § 26.

The clerk of committees shall report at each meeting of the council all resignations effected by the preceding clause.

RULE 12. Special committees of this council shall consist of three members, unless otherwise ordered.

These several motions shall not be applied to each other, except that the motion to assign, refer, amend, or to close debate at a specified time may be amended; and the previous question may be demanded upon an amendment, which motion shall be decided without debate. When one of these motions has been made, none of the others inferior to it in precedence shall be made, and in proceeding to vote, motions pending shall be put in the order of their rank, as above arranged. No motion or proposition of a subject different from that under consideration shall be admitted under color of amendment.

RULE 24. When a matter has been especially assigned to be taken up at a fixed hour or at a certain stage of proceedings, such matter shall, at the time appointed or at any time subsequent thereto, during the same or succeeding meetings, be in order upon the call of any member, and take precedence of all other business.

RULE 25. When an order or resolution relates to a subject which may properly be examined and reported upon by an existing committee of the city council, such order or resolution shall, upon presentation, be referred to such committee. When a motion is made to refer any subject, and different committees are proposed, the motion shall be put in the following order:

RULE 27. Debate on a call for the previous question, or on a motion to close debate at a specified time, or on a motion to lay on the table or take from the table, shall not exceed ten minutes, and no member shall speak more than three minutes. In such debate, however, the merits of the main question shall not be discussed.

RULE 28. Any member may require the division of a question when the sense will admit of it; and any member may move at any time for the suspension of any rule or rules.

PREVIOUS QUESTION.

RULE 29. When the previous question is ordered, the vote shall be taken upon all pending amendments, and finally upon the main question.

RULE 30. All incidental questions of order arising after a motion is made for the previous question shall be decided without debate, except on an appeal; and on such an appeal, no member shall be allowed to speak more than once without leave of the council.

APPEAL.

RULE 32. No appeal from the decision of the president shall be entertained unless it is seconded; and no other business shall be in order till the question on the appeal has been decided. The question shall be put as follows: "*Shall the decision of the chair stand as the judgment of the council?*" And it shall be deemed to be decided in the affirmative unless a majority of the votes given are to the contrary.

VOTING.

RULE 33. If the president is unable to decide or if any member doubts a vote, the president shall cause a rising vote to be taken on the question, without further debate. The president shall appoint two tellers for each division of the council as fixed by him, who shall agree on a count and report the result aloud to him.

RULE 34. A motion that any pending vote shall be taken by yeas and nays shall be in order at any time, and no debate shall be allowed thereon, but it shall be passed by the assent of one-fifth of the members present.

RULE 35. After the announcement of a vote not taken by yeas and nays, any member may move for a verification thereof by yeas and nays, and on such motion a debate of the original question not exceeding five minutes shall be permitted; and the yeas and nays shall be taken, provided one-fifth of the members voting shall so require.

RECONSIDERATION.

RULE 36. When a vote has been passed, any member may move a reconsideration thereof at the same meeting, either immediately after the announcement of such vote or whenever motions are in order; or if any member who is not shown by a yea and nay vote to have voted against the prevailing side shall give notice to the clerk, before ten

o'clock A.M. of the next day but one following that on which a meeting was held (except the final meeting of the year, or that preceding any adjournment for over two weeks), of his intention so to do, he may move a reconsideration at the next meeting at which said motion is reached in the order of proceedings.

RULE 37. Debate on motions to reconsider shall be limited to thirty minutes, and no member shall speak more than five minutes. Whenever a matter has been especially assigned, a notice, as above specified, to reconsider any vote affecting it shall be considered whenever such special assignment takes effect.

To adjourn.
The previous question.

In all elections by ballot the number of blanks cast shall be reported. Ballots cast for ineligible persons shall be counted and reported, but only for the purpose of ascertaining the whole number of ballots cast. If the person chosen is ineligible the ballot shall be void, and a new ballot be taken.

SEATS OF MEMBERS.

RULE 41. No person except a member of the council shall be permitted to occupy the seat of any member while the council is in session. The seats of the members of the council shall be numbered, and shall be determined, in the presence of the council, by drawing the names of members and the numbers of the seats simultaneously; and each member shall be entitled for the year to the seat bearing the number so

drawn against his name, and shall not change it except by the permission of the president.

SPECTATORS.

RULE 42. The city messenger shall allow no person upon the floor of the council chamber or in either of the anterooms, except members of the city government and reporters, without the permission of the president; and while the council is in session, no person except members of the city government and reporters shall be allowed in either of the anterooms on the easterly side. The president shall order such accommodations on the floor for reporters and spectators as he shall deem proper; *provided, however*, that no spectators shall be seated behind the members of the council.

RULE 43. The council chamber shall be used for meetings of the council only, unless by special vote of the common council; *provided*, that during the summer recess the president may allow the chamber to be used for public purposes, in all cases reporting his action to the council at its next meeting. The anteroom and large committee-room on the east shall be subject to the same rules, except that the president may allow committee-meetings to be held therein at times when the council is not in session. The clerk's room shall be assigned to the clerk of the common council for occupancy and use. The anteroom between the council chamber and the clerk's room shall be used during the meetings of the council to give access to the seats on the floor, and such other purposes as the president may direct; *provided*, that smoking there shall not be allowed on the part of visitors. The general care and supervision of these rooms are hereby intrusted to the city messenger, subject to the direction of the president; but no expenditure of money shall be made except by direct vote of the common council.

REFRESHMENTS AND CARRIAGE-HIRE.

RULE 44. No bill for refreshments or carriage-hire shall be incurred by any member of the common council, except in the discharge of official duty, and all bills for refreshments, after being duly certified to by the members incurring the same, shall be submitted to the auditing committee, as hereinafter provided. All carriages shall be hired through the city messenger, who shall obtain and verify the bills within twenty days from the date when they were incurred, and the clerk of committees shall furnish to the city messenger a copy of the vote, in each case, authorizing the use of such carriages. When the common council is in session at eleven P.M., the city messenger is directed to provide carriages to convey members and officials to their respective homes, if they so desire. The president is hereby authorized to incur bills for

refreshments or carriage-hire while in the discharge of his official duties. The prices paid for all carriages hired under this rule shall be in conformity with the rates established by the board of police. All bills so incurred for refreshments and carriage-hire shall be charged to the contingent fund of the common council, and all bills for refreshments shall be audited, before presentation to the city auditor, by a committee of three members of the common council. Said committee shall satisfy themselves of the correctness of such bills, both as to authority and amount, and may require evidence before approving them for payment; such audit shall be completed monthly, on or before the twenty-fifth day of the month, and no bill shall be considered unless presented within three months of the date of incurring the same.

The city auditor shall report in print every three months, giving in detail the bills allowed and the votes authorizing the same.

REPEAL.

RULE 45. The foregoing rules shall not be altered, amended, suspended, or repealed, at any time, except by the votes of two-thirds of the members of the common council present and voting thereon, and all suspensions of Rule 17 shall be on a roll-call.

JOINT SPECIAL COMMITTEES.

Rule 2. Every joint special committee ordered by the city council shall, unless otherwise provided in the order, be appointed in the manner provided in Rule 1.

JOINT COMMITTEES.

Rule 3. The member of the board of aldermen first named on every joint committee shall be its chairman; and, in case of his resignation or inability, the other members of the same board in the order designated by the chairman of the board, and after them the members of the common council in the order named, shall act as chairman. The chairman shall call meetings of the committee at his discretion, or at the written request of a majority of the members.

Rule 4. Every joint committee shall cause records of their proceedings to be kept in books provided for that purpose; and at every meeting of a committee the records of the previous meeting shall be read, unless otherwise ordered by the committee. In all such meetings of committees all votes shall, at the request of any member, be taken by yeas and nays, and recorded.

Rule 5. No meeting of any committee shall, without the consent of all the members thereof, be called upon less notice than twenty-four hours from the time the clerk shall have mailed the notices or despatched them by special messenger.

RULE 6. Any joint committee may expend from the appropriation for contingent expenses an amount not exceeding two hundred dollars in any one year, for purposes connected with the duties of said committee for which no provision has been otherwise made, except for refreshments or carriage-hire.

CONFERENCE COMMITTEES.

RULE 7. In every case of disagreement between the two branches of the city council, if either branch shall request a conference and appoint a committee of conference, the other branch shall also appoint such a committee, and such committees shall consist of not less than five members each. Both committees shall, at an hour to be agreed upon by their chairmen, meet and state to each other, verbally or in writing, as either shall choose, the reasons for the action of their respective branches in relation to the matter in controversy, shall confer freely thereon, and shall report to their respective branches.

REFERENCE TO COMMITTEES.

RULE 8. When an order or resolution relates to a subject which may properly be examined and reported upon by an existing committee of the city council, such order or resolution shall, upon presentation, be referred to such committee. Either branch of the city council may commit or recommit to a joint committee; but a reference with instructions shall require concurrent action.

REPORTS OF JOINT COMMITTEES.

RULE 9. No report of a joint committee shall be received by either branch of the city council unless agreed to by such committee at a duly notified meeting thereof. The report of a committee upon any subject referred to it shall, unless otherwise ordered by the city council or by the committee, be presented to the branch in which the order of reference originated. It shall be the duty of every joint committee to which any subject may be specially referred to report thereon within four weeks, or to ask for further time.

RULE 10. All reports and other papers submitted to the city council shall be written or printed, and no indorsement of any kind shall be made on the reports, memorials, or other papers, excepting those made by the officers of either branch, or the name of the member offering the same. Every report of a committee shall be signed by a member belonging to the body to which it shall be presented, unless otherwise directed by the committee. Every member presenting an order, ordinance, or resolution shall have his name indorsed thereon. Such member shall be informed, by the clerk of the committee to which the

matter is referred, of the time fixed for its consideration, if he give notice of his desire to be heard thereon.

Rule 11. Any report containing any recommendation, other than "leave to withdraw," or "inexpedient to take further action," or reference to another board or committee, shall be accompanied by an ordinance, order or resolve, embodying such recommendation; and such report shall be acted upon separately.

Rule 12. Any member of a joint committee may submit a minority report at the same time as the majority report, and, if the latter be in print, he shall be allowed to submit his report also in print. Either branch may order to be printed the report of any committee submitted to it, or any document relating to a subject under consideration, the expense thereof to be charged to the general appropriation for printing.

NOTICE TO OTHER BRANCH.

Rule 13. All papers requiring concurrent action shall be transmitted from one branch of the city council to the other before the next regular meeting of the latter branch, with the action of the branch sending them indorsed thereon, and signed by the regular presiding officer of such branch, or, in his absence, by the clerk or assistant clerk of such body. In case of votes or action by either branch not based on written orders or papers, notice of the same shall be transmitted to the other branch, signed as hereinbefore directed. In case any ordinance, order, or resolution originating in one branch shall fail to pass in the other, notice thereof shall be given, under the signature of the clerk, to the branch in which the same originated.

ORDERS AND RESOLUTIONS.

Rule 14. In all votes requiring concurrent action the form of expression shall be "Ordered" for everything by way of command; and the form shall be "Resolved," for everything expressing opinions, principles, facts, or purposes.

APPROPRIATIONS AND EXPENDITURES.

Rule 15. Whenever the city council shall order an expenditure by any committee, board, or officer, either in addition to the estimates on which the appropriation was made or for an object not included in such estimates, it shall provide for the payment of the same.

Rule 16. No expenditure shall be made from the reserved fund except by a transfer to some other appropriation or to a new appropriation to be established, and no expenditure shall be charged to the appropriation for incidentals except transfers and the expenditures therefrom provided for in the ordinances.

RULE 17. Every application for an additional appropriation, to be provided for by transfer or loan, shall be referred to the committee on the department for which the appropriation is to be made, and the report of such committee thereon shall, upon presentation in either branch, be referred to the committee on finance, and no such additional appropriation shall be made until the latter committee has reported thereon.

RULE 18. No order authorizing the borrowing of money, or the transfer of one appropriation or part of an appropriation to another appropriation, shall be passed, unless two-thirds of the whole number of the members of each branch of the city council vote in the affirmative, by vote taken by yea and nay.

BILLS AND ACCOUNTS.

RULE 19. No presiding officer of a board, or chairman of a committee, unless duly authorized by such board or committee, shall approve any bill or account against the city.

RULE 20. No bills for refreshments or carriages shall be paid, unless such bills shall specify in detail the names of the members to whom such refreshments or carriages are furnished, and the dates of furnishing the same; and all carriage bills shall specify the use made of the carriages charged therein. No member of the city council shall incur any such bills, except upon days when he has attended a meeting of a committee, or has performed some duty with which he has been charged by a committee of which he is a member, and by the vote of such committee authorizing such special expenditure. Whenever a committee vote to use carriages in transacting their business, the chairman shall specify the number of carriages to be engaged. All bills for refreshments and carriages shall be presented at the time incurred, and shall be certified to by the members of the city council incurring the same; and shall require the approval of the chairman of the committee incurring such bills, before they are presented to the committee on contingent expenses; *provided, however*, that sub-committees shall be allowed the use of but one carriage in the performance of the duty assigned them, and all bills contracted by sub-committees shall be submitted to and approved by the full committee.

RULE 21. All carriages shall be ordered through the city messenger, who shall examine and audit the bills therefor within twenty days from the date they are incurred, and the clerk of committees shall furnish the city messenger a copy of the vote, in each case, authorizing the use of such carriages.

RULE 22. All bills for refreshments or carriages shall be paid from the appropriation for the contingent expenses of the city council, and

if containing items incurred more than thirty days previous to the date of their presentation to the auditor shall go before the city council for approval. The prices paid for all carriages hired under this rule shall be in conformity with the rates established by the Board of Police. The city auditor shall report in print to the city council, monthly, the bills and expenditures from the contingent fund, in reasonable detail, and the amount remaining unexpended.

AMENDMENT OR REPEAL.

RULE 23. The foregoing rules shall not be altered, amended, suspended, or repealed at any time, except by the votes of two-thirds of the members of each branch of the city council present and voting thereon.

The election of Mayor for 1845 was more warmly contested than in any former year. There were not less than eight several ballotings by the citizens. At the eighth trial, on the twenty-first of February, Thomas A. Davis was elected.

In the meantime, from January to February 27, 1845, William Parker, one of the Aldermen, having been elected Chairman of the Board of Aldermen, performed the duties of Mayor.

On the sixth of October Thomas A. Davis, being in declining health, resigned the office of Mayor, which resignation, however, was not accepted by the City Council; and on the twenty-second of November he died, being the only Mayor who has died in office since the organization of the city government in 1822.

On the eleventh of December Josiah Quincy, Jr., was elected Mayor by the City Council, for the unexpired term of 1845. Benson Leavitt, one of the Board of Aldermen, acted as Chairman of the Board in the interval between the death of Mr. Davis and the election of Mr. Quincy.

In 1851 Benjamin Seaver, having already been elected an Alderman of the city for 1852, was afterwards chosen Mayor for said year. At the commencement of the ensuing municipal year, 1852, he resigned as an Alderman, and accepted the office of Mayor.

The election of Mayor for 1854 was continued through three ballotings, from December 12, 1853, to January 9, 1854. In the meantime the duties of Mayor were performed by Benjamin L. Allen, Chairman of the Board of Aldermen.

At the municipal election in 1872 William Gaston was certified, by the returns of the officers of the several wards, to have been elected Mayor of the city for the next municipal term. But, upon charges of alleged fraudulent practices in one of the wards of the city, a recount

of all the ballots cast at said election was demanded and made; and it appearing therefrom that Henry L. Pierce had seventy-nine plurality, he was declared duly elected Mayor for the year 1873.

In 1873 Henry L. Pierce, Mayor of the city, was elected a member of the Forty-third Congress from the Third Massachusetts District, in place of William Whiting, deceased. Mr. Pierce resigned his office as Mayor on November 29, and occupied his seat in Congress on December 1, 1873.

The duties of the Mayor for the remainder of the municipal year were performed by Leonard R. Cutter, Chairman of the Board of Aldermen, who signed all official papers as "Acting Mayor."

In 1879 Benjamin Pope died while in office.

In 1885 Edwin F. Leighton died while in office.

In 1888 William P. Carroll died while in office.

At the municipal election, in 1852, *nine* Aldermen had a majority of ballots; but, in accordance with the statute, the eight who had the highest number of votes were declared elected.

The municipal government for 1855 was the first one that was organized under the new or revised City Charter, which provided for the annual election of *twelve* Aldermen.

At the municipal election, Dec. 14, 1880, the returns of the precinct officers showed William Frost to be elected Alderman by a plurality of fifteen votes over James J. Flynn, and a very slight difference in the number of ballots cast for other candidates who failed of election. A recount of the ballots cast for Mayor and Aldermen was thereupon demanded in legal form. A committee of the Board of 1880, having made the recount, reported, December 27, that Mr. Flynn was elected, having received a plurality of votes over Mr. Frost; and Mr. Flynn took the seat at the organization of the Board of 1881. Mr. Frost gave notice of his intention to contest the seat of Mr. Flynn, and also of Mr. Haldeman, who had received the next greatest number of votes. A committee of the Board of 1881 was appointed to consider the matter, and reported, March 14, 1881 (City Document No. 38 of 1881), the majority declaring Mr. Frost entitled to the seat held by Mr. Flynn, with two minority reports. The majority report was accepted March 21, and Mr. Frost took the seat. One peculiar incident in this case was the reception of a numerously signed petition asking the Board to examine and recount the ballots for Messrs. Woolley, Haldeman, and Flynn, sitting members, and Messrs. William Frost, John Thompson, and George S. Dexter, standing next highest on the precinct returns; another was the fact that many ballots were either mislaid or stolen, in Precinct 3 of Ward 13, on election day.

At the municipal election Dec. 13, 1881, the returns of the precinct officers showed William Frost to be elected Alderman by a plurality of 154 votes over Charles V. Whitten. On petition, in due legal form, a committee of the Board of 1881 made a recount of the ballots cast for Mayor and Aldermen, and reported that Mr. Whitten was elected over Mr. Frost, and Mr. Whitten took the seat. Mr. Frost contested the seat of Mr. Whitten, and called for a reëxamination of the ballots cast. Such examination was made by a new committee, which reported,

January 17, that William Frost had 19,861, and Charles V. Whitten had 19,825. On January 19, 1882, the seat was awarded to Mr. Frost.

For reports of *contested seats* in the Board of Aldermen, see City Document No. 7 for 1861, and City Document No. 16 for 1862.

At the municipal election, Dec. 12, 1882, the returns of the precinct officers showed Edwin F. Leighton to be elected Alderman by a plurality of 102 votes over Joseph Caldwell. On petition in due legal form a committee of the Board of 1882 recounted the ballots cast for these two candidates, and reported, Dec. 26, that Joseph Caldwell appeared to be chosen by a plurality of 14, and that in addition there were found 3 ballots for "——— Caldwell," 1 for "E. F. Leighton," 18 for "F. Leighton," and 11 for "——— Leighton;" also that, "with the exception of the name 'E. F. Leighton,' which was written, the abbreviated names above recited were plainly legible beyond the edges of 'stickers,' or 'pasters,' which covered and concealed the Christian names of Messrs. Caldwell and Leighton, those stickers having been pasted upon an adjoining name, but being of such length as to partly cover the names in question." The committee further reported that there was plainly no intent to cancel the names over which the stickers extended. Mr. Caldwell, who was a member of the Board of 1882, thereupon stated his intention of not appearing to claim a seat in the Board of 1883, and introduced an order, which was passed, declaring that, in the opinion of the Board, the abbreviated ballots should be credited to Mr. Leighton. The Board of 1883, on petition of Mr. Leighton, awarded him the seat at the first meeting, Jan. 1.

There have been the following successfully contested elections:

The first, February 22, 1830, vacated the seat of a member from Ward 6, on the ground that "closing the poll before the hour at which the voters were notified it would be closed was a violation of the rights of the voters."

The second, May 7, 1835, vacated the seats of the members of Ward 3, who were returned as having been elected at an adjourned meeting, December 11, 1834, on the ground of irregular proceeding, to render the whole number of votes certain by taking the highest number of votes for candidates on each opposing ticket, adjournment of the meeting by the sole authority of the Warden, and other irregularities, at the annual election, December 8.

The third case, March 7, 1839, vacated the seats of three members of Ward 12, on the ground that a number of illegal voters, sufficient to affect the choice, voted at the polls.

The fourth, February 9, 1843, vacated the seats of three members from Ward 1, returned as elected at the adjourned meeting, December 14, on the ground that four votes for non-resident candidates (after having been first thrown out by the ward officers)[1] were counted at the

[1] This fact was admitted, though not stated in the report of the Committee.

annual election, December 12, thereby preventing the choice of two other candidates, who, by excluding the said four votes, were by the decision of the Council declared elected, leaving one vacancy.

The fifth, February 27, 1851, vacated the seats of two members from Ward 3 on the ground that they were chosen at an adjourned meeting which was illegally held. At the subsequent trial the same members were again returned to the Common Council.

The sixth, January 20, 1853, vacated the seats of three members of Ward 3, on the ground that they were chosen at an adjourned meeting which was illegally held.

The seventh, February 3, 1853, in accordance with the Report of the Committee on Elections, vacated the seats of three members from Ward 11, on the ground that the Mayor and Aldermen had no right to issue warrants for election of members of the Common Council, after the annual election and before the organization of the government-elect. But inasmuch as the elections in question were conducted *bona fide* and no other informality was apparent, and as this custom of supplementary elections had been in vogue for twenty years, the members thus elected were by the vote of the Common Council declared entitled to their seats.

The eighth, March 19, 1863, in accordance with the Report of the Committee on Elections, vacated the seat of a member from Ward 3, on the ground that at the time of his election he was not an inhabitant of that ward. Before a decision was reached on this point, the member in question resigned.

The ninth, April 9, 1863, vacated the seats of the entire delegation from Ward 10, on the ground that more votes were returned than there were persons who voted in that ward at the municipal election, — occasioned by mistake, probably, in the counting of the ballots, — the variation being so great as to affect the election of the whole delegation. At the subsequent trial the same members were again returned to the Common Council.

The tenth, January 24, 1867, vacated the seat of a member from Ward 3, who was chosen at an *adjourned meeting* (held on account of a tie-vote at the regular meeting, Dec. 10, 1866), on the ground that the polls at said adjourned meeting were not kept open the same number of hours as were required by the original warrant. At a subsequent election the same member was returned to the Common Council. (See City Doc. No. 12 for 1867.)

The eleventh, January 16, 1868, vacated the seat of a member returned from Ward 10, because, by the count of the original ballots cast in said ward, it appeared that another person was chosen.

The twelfth, January 6, 1870, vacated the seat of a member returned from Ward 13, for the same reason as recited above.

The thirteenth, January 5, 1871, vacated the seat of a member returned from Ward 15, for the same reason.

The fourteenth, January 18, 1872, vacated the seat of a member returned from Ward 7, for the same reason.

The fifteenth occurred as follows:

At the annual municipal election in 1871 Frederick S. Risteen was declared elected as a member from Ward 10. This election was contested by J. Q. A. Brackett, and a recount of the original ballots showed that said Brackett was elected by a plurality of one ballot over F. S. Risteen, and said Brackett was accordingly declared by the Common Council of 1872 to be entitled to the seat. Subsequently Mr. Risteen contested this decision, on the ground that his name was erased from a number of ballots by some one of the ward officers *after* said ballots were deposited by the voters. After a protracted inquiry the Common Council sustained this view of the case, and Mr. Risteen was again returned to his former seat, and was again duly qualified, on February 1, 1872. (See City Doc. No. 18 for 1872.)

The sixteenth, January 4, 1874, vacated the seat of a member returned from Ward 13, because, by the count of the original ballots cast in said ward, it appeared that another person was chosen.

The seventeenth, January 14, 1875, vacated the seat of a member returned from Ward 1, because, by the count of the original ballots cast in said ward, it appeared that another person was elected.

The eighteenth, January 4, 1877, vacated the seat of a member from Ward 20, because, by the count of the original ballots cast in said ward, it appeared that another person was elected.

The nineteenth, January 10, 1878, vacated the seat of a member from Ward 20, because, by the count of the original ballots cast in that ward, it appeared that another person was chosen.

The twentieth, Dec. 27, 1880 (see records of Board of Aldermen of said date), vacated the seats of one member from each of the following-named wards, *viz.*, 3, 13, 16, and 19, because, from an examination of the original ballots cast in said wards, it appeared that other persons were chosen. From an examination made at the same time of the original ballots cast in Ward 5 it appeared that, instead of there being a tie-vote for a third member from said ward, three members were duly chosen. Peculiar features of the case in Ward 13 are, that some of the ballots undoubtedly deposited by the voters of Precinct 3 of this ward were either mislaid or stolen at the polling place and that the Committee of the Board of Aldermen of 1880, who examined the bal-

lots for Common Council in that ward, erroneously reported that the sitting member had been duly elected. (See City Doc. 54 of 1881.)

In 1887 one seat in the representation of Ward 4 and one in that of Ward 15 were vacated and the contestants declared elected, the Council exercising its discretion as to the intent of the voter in certain cases of technical irregularity. (See City Docs. Nos. 6, 11, of 1887.)

In 1889 one seat in the representation of Ward 3 and one in that of Ward 12 were vacated and the contestants declared elected, the intent of the voter in cases of technical irregularity being considered.

See "Reports of Controverted Elections in the Common Council of the City of Boston, from 1827 to 1889." Boston: 1889, pp. xvii and 277.

The longest continuous service in the City Council is that of David F. Barry, member of the Common Council since 1880, now (1893) president of that body. Eliphalet Williams (president of the Common Council, 1829) served fifteen years, but not consecutively. James J. Flynn served twelve years in the Common Council (president, 1883) and three years in the Board of Aldermen. Thomas Wetmore served eleven years, not consecutive, in the Board of Aldermen.
